

## Manufacturer's Declaration

All inverters of the types Sunny Boy (SB), Sunny Mini Central (SMC) and Sunny Tripower (STP), developed and manufactured by the SMA Solar Technology AG, are also delivered to Schüco International KG as customized versions.

The SMA Solar Technology AG hereby certifies that all customized versions labeled as „Schüco“ are in technical terms identical with the SB, SMC, and STP inverters from SMA with reference to their hardware and firmware.

The difference between SB, SMC and STP inverters and their customized versions are limited to the following aspects:

1. The outer packaging of the devices
2. The paintwork and labeling of the device enclosure
3. Modified cover sheet of the technical writing of the device (Installation Guide and User Manual)
4. Type plate with „Schüco“ logo (instead of SMA logo) and an additional note stating: „manufactured by“

All certificates of the Sunny Boy, Sunny Mini Central and Sunny Tripower inverters are therefore also valid for the corresponding „Schüco“ inverters.

The model designation of both device versions is also identical and is indicated on the type plate. As an example, the following model designations are used:

Sunny Boy	Sunny Mini Central	Sunny Tripower
SB 1200	SMC 4600A	STP 5000TL-20
SB 1300TL-10	SMC 4600A-11	STP 6000TL-20
SB 1600TL-10	SMC 5000A	STP 7000TL-20
SB 1700	SMC 5000A-11	STP 8000TL-10
SB 2000HF-30	SMC 6000A	STP 8000TL-20
SB 2100TL	SMC 6000A-11	STP 9000TL-20
SB 2500	SMC 6000TL	STP 10000TL-10
SB 2500HF-30	SMC 7000HV-11	STP 12000TL-10
SB 2500TLST-21	SMC 7000TL	STP 15000TL-10
SB 3000	SMC 8000TL	STP 15000TLEE
SB 3000HF-30	SMC 9000TL-10	STP 15000TLHE-10
SB 3000TL-20	SMC 9000TLRP-10	STP 17000TL-10
SB 3000TL-21	SMC 10000TL-10	STP 20000TLEE-10
SB 3000TLST-21	SMC 10000TLRP-10	STP 20000TLHE-10
SB 3300	SMC 11000TL-10	
SB 3300-11	SMC 11000TLRP-10	
SB 3600TL-20		
SB 3800		
SB 3800-11		
SB 4000TL-20		
SB 4000TL-21		
SB 5000TL-20		
SB 5000TL-21
